**PARENTING TIME EXPEDITOR
MATTHEW SHORE, MSW, LICSW**

PARENTING TIME EXPEDITOR FEE AGREEMENT

Appointment

Our court Order signed on _____ appoints Matthew Shore as our Parenting Time Expeditor (the PTE).

We understand that the PTE will not provide services until this Agreement is signed by us and the PTE and any required deposit has been made. The PTE services will end _____ from the day the appointing order was signed by the judge.

Role of PTE

We understand that the PTE will assist us with parenting time issues involving our child(ren). His involvement is limited to issues arising around parenting time and is governed by Minn. Stat. § 518.1751. The PTE's duties include resolving parenting time disputes by facilitating agreement, enforcing, interpreting, clarifying and addressing circumstances not specifically addressed by an existing parenting time order. He may make a determination as to whether the existing parenting time order has been violated.

We understand the PTE will not provide therapeutic or evaluative services, nor will he offer legal advice.

Decision making

We understand that the PTE uses a mediation-arbitration process to help us resolve disputes. We understand that the PTE will first work with us to help us reach an agreement. However, if we are unable to agree about a parenting time issue, the PTE will make a decision that will be binding on us. The PTE will put all decisions in writing, with copies going to each of us. We agree to follow the decision unless or until it is vacated or modified by the Court.

Conduct in Process

We each agree to participate in the parenting time expeditor process in good faith with the goal of resolving matters in our children's best interests with the assistance of the PTE.

We understand the PTE process will be conducted in the manner that the PTE believes will best and most quickly permit full understanding, discussion, and resolution of the issues. The PTE may meet us together or separately, in person, by telephone or through electronic means, such as e-mail. He may meet with the child or children and/or with significant others or other family members on issues related to the child or children to fulfill the PTE duties.

We understand that we will sign whatever authorizations for release of information the PTE decides are necessary for him to fulfill his duties.

Because of the nature of the PTE's role, we understand that we may disagree with a PTE decision. We understand that if one of us disagrees with a decision, one or both of us may appeal the decision to the district court.

We agree that we will make every effort to resolve with the PTE concerns about how the PTE process is conducted.

Mandated Reporter Status

We understand that the PTE is required by state law to report to the proper authorities any evidence of physical or sexual abuse or neglect of minors, elders, or vulnerable adults.
