Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal regulations require that before awarding federal student aid, we ask you to confirm the information you reported on your FAFSA to verify that you provided correct information. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school.
