VARSITY CROSS COUNTRY

The Warriors had a terrific first week of competition as they kicked off the 2022 XC season with meets at Silver Creek and Salem.

On Tuesday, the teams competed in the Silver Creek Hokum Karem, which is a relay style race. Each runner is paired with another runner, and they run one mile at a time until both have run three miles total.

In the boys race, Alex Pinckney and Mason Taylor earned medals by placing third overall. The other duos were Gavin Taylor and Jack Lutz, Eyan Braden and Johnathan Stewart. Riley Harper did not have a partner, but ran his own leg of the race as a workout. The boys all placed high enough to earn a second place trophy overall as a team.

In the girls race, three of our teams ran the course fast enough to earn top 25 medals. Hailey Hack and Madelynn Lutz placed eighth, Anna Nash and Madison were right behind them in ninth place, and Katie Ammons and Adeline Oakley raced to a 22nd place finish. Kate White was paired with a girl from Springs Valley and they finished strong but out of the top 25. As a team, the girls were just three points shy of the second place trophy.

On Saturday, at the Salem Invitational, the Warriors continued to improve. In the boys race, Alex Pinckney led from the gun and increased his lead throughout the 5K course to win the individual championship trophy very comfortably. Gavin Taylor was the next Warrior to cross the line, followed by Mason Taylor. Terry McDonald and Jack Lutz rounded out the top five scorers for the Warriors and helped their team score a third place finish.

In the girls race, our Warriors ran an inspiring race with four girls in the top 10! Hailey Hack placed third, Madelynn Lutz was eighth, Madison Smith ninth, and Anna Nash was tenth. Adeline Oakley finished out the top five with a 26th place finish earning the Warriors their first Invitational Team Championship! It was a very close finish as they edged out a very competitive Austin team by just three points.

It looks to be an exciting season for our Warriors XC teams. They compete this Thursday at the 54th Annual North Harrison Cougar Invitational. Races begin at 6:00 pm.

VARSITY BOYS SOCCER

This past week the Warriors had two games. The first against Providence on Monday. They played a tough game coming off a weekend full of soccer. Despite giving it their all they were defeated 4-3. On Saturday, they played North Harrison who is always good competition for the Warriors, they held at 0-0. The team is getting better everyday, practicing and playing hard.

VARSITY BOYS TENNIS

Warrior Tennis continues to grow, inching towards the other more established programs in the area. Highlights this week come from Denver Butler and Devin Killion.

In the New Washington match-up, Denver held a comfortable lead at #2 Singles, moving his opponent around the court and changing up the pace from the baseline to drive home a 6-1, 6-2 victory.

In the rematch versus Corydon, Devin Killion showed a glimpse of the future of CAI Tennis. He replayed the same Senior, with as many years experience as Devin has weeks. In a nail biting double tiebreaker, Devin narrowly fell 4-6, 7-6 (12-10), 9-11 showing off everything he's learned all season.

MS CROSS COUNTRY

The team did amazing in the first cross country race for ALL of the runners. Lydia Millican (seventh grade) placed 22nd in the open race!!!

Lincoln Birke (eighth grade) ran in the boys race and placed 19th! Bryson Lazenby (seventh grade) placed 55th in the boys race.

Jovie Meadows, Zoey Williams, and Hailey Weber (all fifth graders) ran a very strong race!

W vs Whitfield Academy (5-0)

L vs Highland Hills Middle School (0-1)

Gold Team

L vs Silver Creek 6-0

T vs Whitfield 2-2

L vs Highland Hills 5-0

The CAI Blue and Gold teams played a busy week of soccer. The Blue team started out the week with a gutsy 2-2 thriller against Silver Creek. Next, they traveled to Whitefield Academy where they displayed spacing, and passing to outmatch Whitefield. The Warriors wrapped up the week with a hard-fought loss against Highland Hills. Camden Clark deserves special mention for his heroic effort in goal against HHMS, including an amazing PK save! The Blue team continued to show grit and perseverance in all their games along with great sportsmanship and teamwork.

The Gold team played the same schedule as the Blue team and worked hard on spacing, passing, and communicating. Our goalie, Grant Decker, made several spectacular saves during the Silver Creek game. Without his hard work, the score would have been much different. The Whitefield game was a great game and the team nearly pulled off a victory. With continued hard work, a win will be achieved. The Highland Hills game was a hot one and wore the Warriors down. They worked hard but were unable to put anything into the net.
