Mason Taylor had his best race of his high school career as he set a personal record time of 20:00. The impressive finish by the boys team led the team to a sixth place finish among 16 teams!

In the girls race, Anna Nash continued her stellar freshman season by medaling in the top 25 with an impressive eighteenth place finish and a time of 22:38.

At Saturday's Lincoln Trail, Invite, four runners raced to all time personal records at one of the most challenging courses they have faced this year! In the boys race, Alex Pinckney broke 16 minutes by running 15:59 for an impressive 3rd place finish. Mason Taylor improved his best time substantially by running the course in 19:26. Elijah Veihl also ran this very hilly course in his fastest time ever with a finishing time of 27:20. In the girls race, Madelynn Lutz continues to improve with every race she runs by setting a new personal record of 22:39.

## JV/LEVEL C VOLLEYBALL

### JV (4-7)

L - Madison - 10-25 / 16-25

L - Lanesville - 21-25 / 20-25

JV ran into a good Madison team on Monday night. They were unable to get anything going behind the service line in the first set. In the second set, Jordan Sahibi and Anna Miles put together two good service rotations but it wasn't quite enough for the Warriors. On Tuesday night, the Warriors battled back and forth with Lanesville, but their servers got the best of the Lady Warriors in both sets and CAL just couldn't close the gap late in either set.

### Level C (0-2)

In only their second match of the season, the Warriors struggled to find rhythm against a good Madison team. The team has really grown over the last couple months and the Warriors have improved a ton.
