COMM	1713	Intro to Oral Communication	3 hours	MGMT	2240	Business Internship	3 hours		
History & Government Courses					**	MKTG	2413	Marketing	3 hours
HIST	1483	American History to 1877	3 hours	ECON	2113	Macroeconomics	3 hours		
or HIST	1493	American History Since 1877		ECON	2123	Microeconomics	3 hours		
POLI	1113	American Government	3 hours	MATH	2023	Elementary Statistics	3 hours		
Humanities Courses									
Electives			6 hours						
One 3 hour course to be chosen from those listed with the International Dimension and 3 hours of humanities electives.									
Mathematics Courses									
MATH	1483	Math Functions	3 hours						
or MATH	1513	Algebra for STEM							
Science Courses					*Students scoring 26 or above on the math subsection of the ACT do not have to take MATH 1513 Algebra for STEM and may take MATH 2023 Elementary Statistics or MATH 2103 Elementary Calculus.				
One Biological Science			4 hours						
One Physical Science			3-4 hrs						
Technology and Language Courses									
CMSC	1113	Computer Concepts	3 hours	**These program courses are typically offered only once a year. See course descriptions for fall or spring designations and plan accordingly.					
or BADM	1113	Digital/Financial Literacy							
World Language Elective			3 hours						

The Enterprise Development Business Administration Area of Emphasis is a flexible two-year degree in business that includes the most desirable core competencies requested by employers and provides a degree completion framework that matches student aspirations with the needs of all industry sectors. The number of expected openings for accounting and billing clerks alone, according to OESC, exceeds the projected number of Oklahoma two-year business graduates during the same period. This degree completion program provides a well-rounded degree program while allowing the student to focus on the knowledge, skills, and attributes needed in his or her chosen field. Offering undergraduates the opportunity to learn and practice core skills for business growth, become leaders in an organization, master key technology processes, and continually upgrade those skills throughout their working years is the central theme of the degree completion program.

This program is made possible by a consortium initiative between community colleges within the state of Oklahoma. The course in the general education core will be available "every semester in every format" from one or more of the community colleges participating in this consortium. The community colleges participating with Northern Oklahoma College in this degree completion initiative include: Carl Albert State College, Connors State College, Eastern Oklahoma State College, Murray State College, Northeastern Oklahoma A&M College, Oklahoma City Community College, Redlands Community College, Rose State College, Seminole State College, Tulsa Community College, and Western Oklahoma State College. The general education core has a transfer guarantee between the community colleges and is also transferable to the research and regional Universities through the Course Equivalency Project.

The Business Division is accredited by the Accreditation Council for Business Schools and Programs (ACBSP). This degree program is not accredited by ACBSP.

This suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum. Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both the Associate and Baccalaureate degree programs.

### Year One

Fall Semester			Spring Semester		
ENGL	1113	English Composition I	ENGL	1213	English Composition II
MATH	1483	Math Functions	POLI	1113	American National Government
or	1513	Algebra for STEM	ACCT	2103	Accounting I - Financial

COMM	1713	Intro to Oral Communications	MATH	2023	Elementary Statistics
Total 15 credit hours			Total 15 credit hours		

NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by A.C.T. test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: <http://www.noc.edu/act> for placement guidelines.
