	One Science with Lab 4 hours				are r	nighly reco	ommend	90	
	One Science with Lab 4 hours								
Cor	Computer Science Courses								
	BADM	1113	Digital/Financial Literacy	3 hours					
or	Other a	pproved	computer course						
Orientation Course									
	ORNT	1101	Freshman Orientation	1 hour					
General Education Elective Course 4 hours									
Select courses from: Language Arts, Natural Sciences, Foreign Languages, Fine Arts, Humanities, Mathematics, Behavioral or Social Sciences									

The suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum.

Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both Associate and bachelor's degree programs.

The International studies degree, in general, provides students with a broad understanding of today's complex global environment. Many graduates are entering careers that are global in perspective and scope and employers have a strong desire to hire students that possess a historic and contemporary understanding of global culture, history, and behaviors.

Career Opportunities: Business, Government, Non-Governmental Organization, Teacher, Researcher

Arts and Sciences - International Studies Option Associate in Science Degree Division of Social Science

Life changing.

This suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum. Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both the Associate and Baccalaureate degree programs.

or						
HUMN	2223	Modern Arts and Culture				
	3 hours	Program/Gen Ed. Electives				
Total 16 credit hours				Total 13 credit hours		

NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by A.C.T. test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: http://www.noc.edu/act for placement guidelines.
