NORTHERN
Oklahoma College
This degree is offered on NOC Enid and NOC Tonkawa campuses.

## Program Requirements 61 Total Credit Hours

(Note: Plane Trigonometry is strongly recommended because it must be taken as a pre-requisite before taking Calculus I)
Science Courses

Two Sciences with labs
Computer Science Courses
BADM 1113 Digital/Financial Literacy
or CMSC 1113 Computer Concepts
or Other approved computer course
Orientation Course
ORNT 1101 Freshman Orientation 1 hour
*General Education Elective Courses 3-4 hrs
8 hours

3 hours

The Associate in Science degree in Computer Science is designed to provide the basic requirements for the first two years of the bachelor's degree in the area of computer science or information systems. The suggested curriculum is outlined to the left. Alternate courses and electives should be selected carefully only after the student and the major faculty academic advisor have consulted the catalog of the selected transfer college.
The Business Division and this degree program are accredited by the Accreditation Council of Business Schools and Programs (ACBSP).
Outstanding Business students are invited to join Kappa Beta Delta, the business honor society recognized by ACBSP.
Career Opportunities: Programmer, Systems Analyst

This suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum. Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both the Associate and Baccalaureate degree programs.

| Year One |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |

| PHIL | 2213 | Ethics |  | 3 hours | Program/Gen Ed Elective |
| or |  |  | PRDV | 2321 | Professional Development |
| PHIL | 2223 | Business Ethics | *These program courses are typically offered only once a year. See course descriptions for fall or spring designations and plan accordingly. |  |  |
|  |  |  |  |  |  |
| Total 17 credit hours |  |  | Total 14 credit hours |  |  |

NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by A.C.T. test scores or by Accuplacer test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more courses for remediation in English, Math, or Reading, either prior to or concurrent with credit courses. See the NOC testing web page by clicking on the following link: http://www.noc.edu/act for placement guidelines.
