Welcome to the Residence Halls at Northern Oklahoma College

For new students, it is a hearty welcome to the Northern family; for returning students, it is the welcoming back of familiar faces. We are pleased that you have chosen to live at NOC. Here at NOC we are committed to creating an environment conducive to learning, leadership development and relationship building.

As we know, a college education is certainly not limited to the classroom alone. Any education for “life” also includes the social and interpersonal dimensions of resident life. These elements are important to a well-rounded education. Best of all, NOC residents have close and immediate access to the academic, social and recreational activities at NOC.

Again, welcome to Northern and our hope is that as a member of our residential community, you will gain life-long friendships, new interests and skills and a better understanding of yourself and others.

Best wishes and success,

Jason Johnson
Vice President for Student Affairs

**Where Is Student Affairs Located?**

**Tonkawa:**
- E.B. Hall
- Jets
- Lankard

Enid:
- Everest Administration Building, Room 105A

**Can Students Decorate Their Rooms or Windows?**
The student should check with the residence hall staff for room personalization guidelines before changes are made. In order to maintain an attractive residence hall, do not use tacks or nails in the walls. All pictures and decorations must be hung with products (Command strips, tape, etc.) that will not damage the walls, except Mavericks and Jets Hall must use push pins. Rooms must remain in the same condition as on check-in day.

**What Type Of Linens Are Needed?**
Students will need to bring pillows, sheets, blankets, pillowcases, comforters, towels and wash cloths.

The size of the mattress is between 78 and 80 inches (xt. twin).

**What Appliances Are Allowed?**
Only the following electrical appliances are allowed:
- desk lamps, radios, televisions, DVD players, CD players, MP3 players, coffee makers, mini refrigerators, clocks, irons, hairdryers, electric shavers, blankets, fans, toothbrushes and computers.
- All other electrical appliances are prohibited. Do not plug more than two pieces of equipment into an electrical outlet. Extension cords are prohibited. Use a fused power strip instead. Radios, televisions and CD players must be operated so that they do not interfere with students' study habits.

**What Appliances Are NOT Allowed?**
Air conditioning units in the window or in the room, camp stoves, ceiling fans, slow cookers, electric skillets, breadmakers, griddles, halogen lamps, hot oil popcorn poppers, hot plates, oven broilers, power tools, rice cookers/steamers, sandwich makers, George Foreman Grills, space heaters, toasters or toaster ovens are not allowed. Candles (lighted or unlighted) are not permitted.

**Where Can Students Receive Mail?**
Mail is delivered to and picked up from each residence hall daily except weekends and holidays. Large packages can be picked up in the Student Affairs Office.

**What Is The Alcohol Policy?**
The possession or consumption of beer or other alcoholic beverages in college residence halls, on college property or at any affair sponsored by or for a student organization is prohibited.

**How Do Students Get Involved In Leadership Opportunities?**
Each hall has a council that serves as the governing body of that particular hall. Leadership positions are open for contested elections each fall. The hall staff will have information regarding possible employment as residence hall staff and leadership opportunities.

**Should Students Purchase Renters’ Insurance?**
NOC does not carry insurance on student belongings and is not responsible for damage or theft of any personal property in residence hall rooms. Students are encouraged to purchase renters’ insurance or make arrangements with an insurance company to insure the coverage of the student’s personal belongings. If personal items become missing or stolen, the student needs to contact the residence hall staff and Campus Security. Students should engrave their belongings with ID numbers.

**How Do Students Contact For Residence Hall Questions?**
One of the most important people students will interact with is the Residence Hall Director. The Residence Hall Directors have the overall responsibility for their own residence halls. If the Hall Director is not available for assistance, students should contact the Office of Student Affairs.

**Renters’ Insurance?**

**Enid: Everest Administration Building, Room 105A.**
**Frequently Asked Questions**

**Whom Should Students Call If Something Is Not Working Properly?**
Students need to first check their Residence Hall Director for all maintenance, heating or cooling problems. If it is not addressed or more attention is needed, then contact the Office of Student Affairs 880.628.6240.

**Are Laundry Facilities Available?**
The residence halls are equipped with coin-operated washers and dryers. Students must furnish their laundry supplies.

**Are Students Allowed Pets?**
No pets are allowed in the residence halls.

**What Are the Visitation Rules and Quiet Hours?**
Sunday-Thursday 10 a.m. to midnight, Friday and Saturday 10 a.m.-1 a.m. Guests must always be escorted in the residence hall by the resident. Quiet hours are planned for study and are to be observed from 8 p.m. to 9 a.m. Sunday-Thursday and 10 p.m. to 10 a.m. Friday and Saturday. During finals week, 24-hour quiet hours are in effect. See the NOC Student Handbook for more information.

**How Can Students Connect to the Internet?**
NOC provides each residence hall room with a high-speed Ethernet connection to the campus computing environment and the internet. NOC provides and maintains two RJ-45 Ethernet connections in each residence hall room. To connect a computer, a 10/100Base - T Ethernet card must be installed in the computer and a RJ-45 Ethernet cable will be needed. Note: an RJ-45 cable is NOT the same thing as a phone cable. Please utilize only the port that is located in your room. Limited wireless access is also available in all residence halls. Please be aware that NOC reserves the right to monitor any and all electronic transmissions over the network. Additional details of NOC’s policy on proper use of student IT resources can be obtained at the IT Help Desk or online (noc.edu).

**What If Students Want a Room or Hall Change?**
Students may request a room change with the Coordinator of Resident Life upon moving into the residence hall. Requests are approved by the Dean of Students. Room changes are not made immediately. Students may make the request upon arrival. However, room changes will not be considered until all students have checked into their rooms. Hall assignments are based on availability.

**What Will Be Done If A Student’s Room Has Cleaning Problems?**
Students are responsible for cleaning their rooms and private bathrooms and removing trash. Rooms are subject to regularly scheduled inspections by the Residence Hall Director in order to assist residents in maintaining clean and orderly rooms. Community areas of the residence halls, such as lobby, laundry and restrooms are cleaned by custodial staff.

**Where Can a Student Park His/Her Car?**
Parking is at a premium on grounds and often the available parking may not be immediately adjacent to a student’s building or facilities. Students may park in any NOC parking lot on campus. All students who bring a vehicle to NOC are required to display a parking permit.

**How Does a Student Get a Parking Permit?**
Parking permits are available in the Office of Student Affairs. Students will need to know the make, model, year and license plate number of each vehicle to be registered. The cost of the permit has already been assessed to the student’s account.

**Are Therapy/support animals allowed?**
If you have a therapy/support animal, proper documentation and paperwork should be done with the Disabilities Coordinator prior to bringing them to NOC. Contact Student Affairs for further information.
**Block meal plans may not be carried over to the next semester.**

An additional 50-block meal plan may be purchased for $320 only in addition to the 200-block meal plan.

In Compliance with Oklahoma Statutes, Title 70 §3243 Certification of Meningococcal Compliance Oklahoma Statutes, Title 70 §3243, requires that all students who are first time enrollees in any public or private postsecondary educational institution in this state and who reside in college student housing shall be vaccinated against meningococcal disease. Institutions of higher education must provide the student or the student’s parents or other legal representative detailed information on the risks associated with meningococcal disease and on the availability and effectiveness of any vaccine.

The statute permits the student or, if the student is a minor, the student’s parents or other legal representative, to sign a written waiver stating that the student has received and reviewed the information provided on the risks associated with meningococcal disease and on the availability and effectiveness of any vaccine, and has chosen not to be or not to have the student vaccinated.
Northern Oklahoma College

Mission
Northern Oklahoma College, the State’s first community college, is a multi-campus, land-grant institution that provides high quality, accessible, and affordable educational opportunities and services which create life-changing experiences and develop students as effective learners and leaders within their communities in a connected, ever-changing world.

Vision
Northern Oklahoma College will be a model institution and leader in academic quality and cultural enrichment, promoting student success, collaborative learning, creative and forward thinking, and community responsiveness.

Core Values

Personalized Education

- We believe in providing individualized services leading our students to achieve their academic goals in a welcoming and safe environment.

- We believe in providing support to students in and out of the classroom so that they receive a full college experience with diverse opportunities.

Community and Civic Engagement

- We believe educated citizens are necessary for a healthy, democratic society, and that free and open expression and an appreciation for diversity are cornerstones of higher education.

- We believe in economic and environmental sustainability and the importance of enriching the intellectual, artistic, economic, and social resources of our communities.

Continuous Improvement

- We believe in the inherent value of intellectual pursuit for both personal and professional growth, as well as the need to prepare students for 21st century professions.

- We believe that a knowledge-centered institution is vital to a knowledge based economy, and we measure our success against national models and standards of excellence.
